Dear Ms. Mikus,

On June 2, I had an extensive telephone conversation with Mr. Ruben Mata with the International Trade Commission. At that time I provided him with all the information required on ref. cable. In addition to the verbal information, I provided Mr. Mata with a market research report that you will find in the attachment.

Jesus,

I have received the Industry Sector Analysis on Drugs and Pharmaceuticals in Mexico. The report is greatly appreciated and looks like interesting reading. I will make myself familiar with the report and update the last report done in the year 2000. I appreciate your time and effort to assist me in this industry study.
